

THE SELF-ESTEEM CREED

Winning Words of Champions, p. 20

God made me - I was no accident, no happenstance. I was in God's plan, and he doesn't make junk. I was born to be a successful human being; I am somebody special, unique, definitely one of a kind...

That is essential, so that I might love others also. I have talents and potential. Yes, there is greatness in me, and if I harness my special qualities, then I will write my name in the sands of time with my deeds.

Yes, I must work hard and long, and with great drive if I am to excel. I will pay that price. Talents demand daily caring and honing. I was born in God's image and likeness. I will strive to do God's will.
