

The Seasons of Life

Jim Rohn

My suggestion is to choose action, not rest. Choose truth, not fantasy. Choose a smile, not a frown. Choose love, not animosity. Choose the good in life in all things, and choose the opportunity as well as the chance to work when springtime smiles on your life.

Spring shows us that life is truly a constant beginning, a constant opportunity, a constant springtime. We need only to learn to look once again at life as we did as children, letting fascination and curiosity give us welcome cause to look for the miraculous hidden among the common.

Get busy quickly on your springs, your opportunities. There are just a handful of springs that have been handed to each of us. Life is brief, even at its longest. Whatever you are going to do with your life, get at it. Don't just let the seasons pass by.
